## CATERING POLICIES & SERVICES

### PRICING

Prices, along with menus, are often provided well in advance of an event. Due to fluctuating market prices, our menu prices are subject to change.

SodexoLive! will gladly lock in and guarantee menu selection pricing for your first catered event with a signed contract, signed event orders and a deposit per our stated deposit policy.

Please note that we require a minimum of 5 working business days (Monday - Friday) in advance of the deadline to complete all the necessary paperwork. Pricing for banquet meals is based on round tables of 8 or 10. Other scenarios may require additional labor, linen, or food and beverage charges.

If more than one entrée choice is offered at the event, the price of each entrée will be that of the higher priced entrée. A 25% service charge and applicable sales tax will be added to all food and beverage sales. A portion of the total amount if this service charge is a "house or administrative charge" which is used to defray the cost of set-up, breakdown, service and other house expenses.

If the customer is a tax-exempt organization, copies of the pertinent tax-exempt certificate from the California State Board of Equalization are required with your signed Banquet Contract. If the certificates are not received prior to invoicing taxes will be collected.

### PAYMENT POLICIES

To guarantee services, pre-payment is required on all contracts. A deposit of 100% of the total contract value will be required a minimum of 14 days in advance of the first function.

Final payment for event charges in addition to those estimated on the contract must be paid after the event by a company, certified or cashier's check or they will be assessed to the credit card used to authorize the event.

If the event is of a nature that additional charges may be incurred, a completed credit card authorization form must be provided by the customer as a guarantee of payment for services rendered.

### GUARANTEES

Guaranteed guest count is required 5 business days (Monday - Friday) prior to your event. Catering will prepare 3% over (not to exceed an additional thirty meals) any guaranteed count given five business days (Monday - Friday) prior on all sit-down meal events. Three percent overage preparation does not pertain to box lunches, continental breakfasts, buffets, or receptions. Final guest count is required 3 business days (Monday - Friday) prior to your event.

### CANCELLATION

A charge will be assessed for cancellation of contracted services within 60 days of an event. The charge will be calculated to cover material and labor costs (including administrative) incurred by SodexoLive! because of the anticipated event as well as the foregone profit margin associated with the canceled event should the date not be rebooked by another customer.

Any event canceled within 31-60 days will be charged 25% of the total charges. Within 6-30 days 50% will be charged. And 5 days or less (Monday - Friday) prior to the event requires payment in full for the estimated revenue based on the menu and event arrangements.

### LIABILITY

Neither the SAFE Credit Union Convention and Performing Arts District nor SodexoLive! can assume responsibility for the damage to or loss of any merchandise or articles left in the facilities before, during or following the event.

### CONTRACTS

To execute your event, a signed copy of the Banquet Event Orders and Banquet Contract must be returned to SodexoLive!. The signed contract with its stated terms constitutes the entire agreement between the client and catering. A signed contract with deposit will lock in prices within the policy stated above.
